

Solidarity poster, 1980 or 1981

Collection of the European Solidarity Centre

The text on the poster says:

“WHAT ARE WE WAITING FOR...

If things were to continue as they are, you are doomed.

Change is your friend.

The companion of your struggle is discord.

You must make something out of nothing
and the powerful must go.

That which you have, you shall relinquish,

AND YOU WILL TAKE WHAT HAS BEEN DENIED YOU.”

Bertolt Brecht
